EBSCON 2024

Updates in Endocrine and Breast Surgery
Controversies to Consensus

Under the aegis of Endocrine and Breast Surgery Foundation.

6TH & 7TH
DECEMBER 2024

Division of Endocrine and Breast Surgery,
Department of Surgery, PGIMER, Chandigarh.

Welcome Message

Dear Esteemed Faculty , Practitioners, Experts and Trainees,

It is an honour and privilege to welcome you all to EBSCON 2024, being organized in the picturesque city of Chandigarh designed by the world famous Swiss-French architect Le Corbusier interspersed with lush foliage and lakes.

The Endocrine and Breast surgery foundation was established in 2024 with a vision to enhance knowledge, and skills for improving the standard of patient care in the region with a scientific fervour.

The theme of EBSCON 2024 is “Updates in Endocrine and Breast Surgery, Controversies to Consensus” and is scheduled for the 6th and 7th of December, 2024. This academic colloquium shall incorporate presentations from invited national and international faculty and experts from reputed institutes which shall offer delegates an excellent academic experience by providing unified scientific sessions for exchange of experiential dialogue and advanced innovative research.

Highlights of this conference shall be recent advances and controversies in the field of endocrine and breast disorders conveyed through modalities of invited lectures, panel discussions, surgical videos, session on diabetic foot care and a competitive poster session.

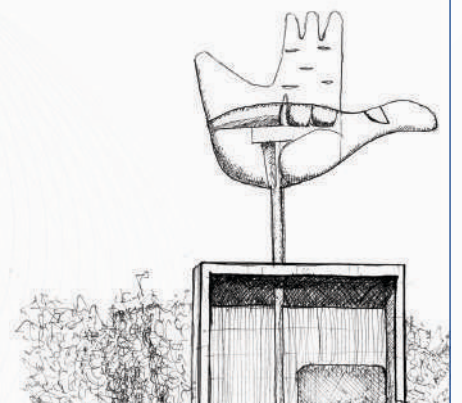

On behalf of the Endocrine and Breast Surgery Foundation, I extend a warm welcome to all delegates and faculty. Your participation and contribution shall make EBSCON 2024 a truly memorable academic event.

EBSCON 2024 also offers an opportunity to spend quality time with your family during the weekend amidst clement weather against a backdrop of scenic surroundings.

With Best wishes and Warm regards,

Prof. Divya Dahiya

Chandigarh Attractions

The Rock Garden of Chandigarh

The Rock Garden is a massive open-air exhibition hall that displays sculptures made from urban and industrial wastes that have been designed and executed by Nek Chand, a former Road Inspector in Chandigarh.

Sukhna Lake

Nestled at the foot of Shivalik Hills, stretching for a distance of 3 sq. km., Sukhna Lake is a man-made lake and is the only one of its kind in the city created in the year 1958 by damming the seasonal Sukhna Choe (Stream) that flows down the Shivalik Hills.

Mansa Devi Temple

Mansa Devi Temple has maintained the sanctity of being an important shrine for worshipping Shakti (Mansa Devi), the divine feminine incarnation of the innate cosmic energy that is said to epitomize and rule the forces of the universe, in Hinduism and Shaktism.

Rose Garden

Rose Garden is a blooming exhibit that showcases around 825 varieties of flowers and 32,500 varieties of trees and medicinal shrubs. This garden is spread over 30 acres and is decked up with an exquisite variety of flowers making it quite popular among tourists.

Near By Attractions

Shimla, Himachal Pradesh

One of the most popular places to visit near Chandigarh is the capital city of Himachal Pradesh, Shimla. This pretty hill station once served as the summer capital of British India which is quite evident from the buildings and structures here that display interesting architectural specimens.

Kasauli

Kasauli is a beautiful, picturesque town and cantonment, situated in the district of Solan, in the state of Himachal Pradesh. Even though there are a lot of unique attractions in Kasauli, it is primarily known for its scenic beauty and serenity.

Chail, Himachal Pradesh

Chail is less commercialised as compared to Shimla, so you can expect to spend some peaceful moments surrounded by pristine nature and its soothing music. Chail also houses some prominent Hindu temples.
